Projects

outlookIndia website clone

https://github.com/pravhatray/bashful-invention-7775.git

https://clone-outlook-india-react.vercel.app/

About outlook India

Outlook India is news sharing website that shows all the top-notch news of India related to different categories.

Features

- Shows bulk of news with different categories of news.
- Searching for news around the world.

Tech-Stack

REACT | REACT-ROUTER-DOM | CHAKRA UI | REACT-ICON | JSON-SERVER

Building-up

I built this website in 5 days and it was a single project. I have tried to cover every part of the original website and cloned it as much as possible. Along with this, I have also added some extra features like a dark mode theme

Unsplash website clone

https://github.com/amitchouhan948/Unsplash-Project_U3.git

https://shimmering-donut-1d044b.netlify.app/

About Unsplash Project

Features

- Uploads images,
- Searching for HD images

Tech-Stack

JAVASCRIPT| JSON-SERVER | HTML | CSS

Building-up

It was a group project, I worked on the home page of this clone website and I have cloned almost every part.

Fetched the data of images from API.
